"I wanted to play with romance and sensuality, things people don't really expect from me, and try something different. Balenciaga is a house of innovation, so I said 'let's try and look at the opposing idea. Very simple: humble cloths, like linens, cottons, satins and silks, and try to give them this couture hand. Things were ruffled, laced and

feathered! We wanted a purity."

STELLA LUCIA

givenchy, riccardo tisci

"There were 88 looks in the collection, around 20 looks taken from my most iconic menswear collections, 10 of my key couture pieces alongside the womenswear ready-to-wear, which was inspired by a wedding and the bride and groom. A woman in a romantic and beautiful dress which I then paired with a tuxedo jacket."
